|---|--|
| <b>1. Identification of the product and manufacturer/ responsible party</b> | 1.1 Product Name: <b>Interval Turf</b><br>1.2 Company Details: Centaur Flooring Systems, 715 Fountain Avenue, Lancaster, PA 17601 Phone: 717.587.9662 or 800.536.9007  |
| <b>2. Hazard(s) identification</b>  | This product is considered to be non-hazardous under the Federal Occupational Safety and Health Administration Hazard Communication Standard 29CFR1910.1200  |
| <b>3. Composition / Information on ingredients</b>                          | There are no substances in this product presenting a health or environmental hazard within the meaning of the Chemicals (Hazard Information & Packaging for Supply) Regulations  |
| <b>4. First aid measures</b>  | Inhalation: no specific measures required<br>Skin contact: no specific measures required<br>Eye contact: no specific measures required<br>Ingestion: no specific measures required   |
| <b>5. Firefighting measures</b>   | 5.1 Suitable extinguishing media: Water spray jet, foam, dry powder, carbon dioxide<br>5.2 Extinguishing media that MUST NOT be used: Not applicable<br>5.3 Special exposure hazard arising from combustion products, resulting gases: carbon dioxide, carbon monoxide, nitrogen oxides, traces of hydrogen cyanide.<br>5.4 Special protective equipment for firefighting: Respiratory protection independent of recirculated air.<br>5.5 This product is resistant to damage and spreading of ignition in typical exposures such as lighted cigarette dropped on the surface. |
| <b>6. Accidental release measures</b>                                       | 6.1 Personal precautions: No special measures required<br>6.2 Environmental precautions: No special measures required<br>6.3 Methods for cleaning up: Dispose of according to regulations  |
| <b>7. Handling and storage</b>  | 7.1 General information: No special protective measures required<br>7.2 Handling: Normal safe handling practices must be applied<br>7.3 Storage: Rolls should be stored horizontally   |
| <b>8. Exposure controls / P.P.E.</b>  | Personal protection equipment: None required   |
| <b>9. Physical &amp; chemical properties</b>                                | Appearance: Polyethylene fibers/Nylon fibers with polyurethane or rubber backing.  |
| <b>10. Stability and reactivity</b>   | 10.1 General information: If stored and handled in accordance with standard industry practices, no hazardous reactions are known<br>10.2 Dissolution: Softening of discoloration may occur with yarn, phenol, formic acid, other acidic exposures below pH=5.<br>10.3 Hazardous decomposition information: Thermal decomposition in the presence of air may yield hydrogen chloride gas, carbon dioxide and carbon monoxide, nitrogen oxides and traces of Hydrogen cyanide.   |
| <b>11. Toxicological information</b>  | 11.1 General information: No harmful effects have been reported to date<br>Inhalation: not applicable<br>Skin contact: no known hazard<br>Eye contact: not applicable<br>Ingestion: not applicable   |
| <b>12. Ecological information</b>   | 12.1 Environmental fate and distribution: The products have no mobility in soil; are insoluble in water; are not expected to bioaccumulate<br>12.1 Persistence and degradability: The products will not biodegrade   |
| <b>13. Disposal considerations</b>  | Dispose of in accordance with local and national legislation; safe for landfills; can be processed and used as a combustible fuel where proper recycling facilities are available.   |
| <b>14. Transport information</b>  | The products are not classified as dangerous for transportation  |
| <b>15. Regulatory information</b>   | The products are defined as "not hazardous" in the Chemicals Hazard Information & Packaging regulations (CHIP)   |

**16. Other information:** Centaur Flooring Systems provides a Product Safety Data Sheet (PSDS) for finished floor covering products based on the "article exemption" found in 29 CFR 1910.1200 (b) (6) (v). An article is defined as: "a manufactured item other than a fluid or particle: (i) which is formed to a specific shape or design during manufacture; (ii) which has an end use function dependent in whole or in part upon its shape or design during end use; and (iii) which under normal conditions of use, does not release more than very small quantities, e.g. minute or trace amounts of a hazardous chemical and does not pose a physical hazard or health risk to employees." Disclaimer: Although the above information is presented in good faith and believed to be correct as of the current date, Centaur gives no guarantee and disclaims responsibility for individual items being incomplete or incorrect. Furthermore, Centaur gives no guarantee that all possible measures are contained within the safety data sheet (including exceptional circumstances)
